Si Environmental, LLC www.sienv.com 8324901600 Customer Care 8324901601 24/7 Emergency 18773827414 Toll Free 8559987219 Payments	Reduce Water Usage This is not as difficult as it sounds, especially if you have children home all summer. Instead of the typical bath, consider quick showers. A standard shower head uses 2.5 gallons of water a minute while a standard bath uses about 30 gallons of water. A five minute shower will consume 1012.5 gallons. Kids home from school also means more dishes. Try to use the dishwasher on the energysaving setting. Hand washing consumes more water.
